REPORT OF FIREWARDS

The Fire Wards are pleased to report the number of chimney fires 35 this year as compared with 40 last year. We trust that property owners will continue to keep chimney fires on the decrease. Please report to the telephone central office any evidence of fires as soon as possible.

We appreciate the splendid cooperation which has been given by the telephone company's representatives, Mr. and Mrs. Gates and their associates.

Considerable equipment has been purchased in anticipation of equipping our Auxiliary Fire Department. Also, we have made heavier purchases than usual of fire hose which accounts for the increased budget asked for.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Troy, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March, 1942, at eleven o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the town will vote to raise and appropriate a sum not exceeding $500.00 to balance current budget because of unanticipated expenditures for equipment.

Given under our hands at said Troy this ninth day of February, 1942.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Troy:

I herein submit my eighth annual report as superintendent of schools.

We are at war today. We must not underestimate the dangers to the heritage due to our boys and girls, viz., the enjoyment of free speech, free religion and ideals of a dynamic democracy. It is our duty to develop the true type of American citizen. Therefore, we must clarify our vision of objectives in American education and search out the roads that lead to these objectives. From a psychoanalysis the three main thoroughfares that lead to our goal are (1) the intellectual which resting on the solid foundations of skills in our fundamentals must be enriched and extended; (2) the emotional feelings for the home, the parents, the school, the town and all American institutions must be strengthened; (3) the younger generation must be taught to choose wisely between success and failure, between right and wrong. Finally, may our boys and girls go forth from our schools imbued with the firm conviction that there is a God and that He will prevail over the warring nations of the world. This is our objective.

Never before in American history have the boys and girls offered more challenges than today. They bid us look forward, to the morrow. They bid us to exercise our greatest care and love for those around and about us. They bid us be strong, active and fearless, and practice moderation and consideration in our dealings with others.

Teachers, parents and citizens, the younger generation is looking to you for guidance through these trying times.

As the heavenly planets move majestically through a sky studded with stars and shedding their reflected light over a universe, so you, as leaders, move among the boys and girls of this generation. Let the scintillation from your characters and teaching direct and guide them to a higher level of life.

This generation expects your strong moral and financial support. Let us give it.

SCHOOL CONDITIONS

During the present year, the school building has been kept orderly and clean. All the rooms are well organized for air raids, also for the conservation of school supplies.

A wholesome attitude exists between the pupils and school work and a hearty cooperation among teachers.

These conditions give promise for a successful year.

In conclusion, I wish to thank the school board, teachers and parents for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON

REPORT OF HEADMASTER OF TROY HIGH SCHOOL

To the Superintendent of Schools:

In an attempt to conserve paper and a portion of your time, I shall make this report as brief as possible—itemizing our achievements of the past year rather than elaborating upon them.

1. Our high school enrollment September 1, 1941 was 66.
2. Our high school enrollment September 1, 1940, was 64.

NEW EQUIPMENT

The following new equipment has been added to that of the school during the past year:

1. A new cooking table for the Home Economics Laboratory.
2. A hot-water supply tank piped to the Home Economics Laboratory, the Shop, and the Teachers' Room.
3. A new chemistry table, made by the shop classes, and installed during the summer vacation. The new unit is completely equipped with water and gas outlets.
4. A used sound motion picture projector purchased by the school children with money earned through musical activities.
5. A large tract of land in the rear of the high school building to be used as an athletic field, the completion of which will undoubtedly be held up until after the present emergency.
6. A new woodworking lathe for the shop.
7. This list does not include a long list of apparatus supplied by the federal government for the use in the Metalworking course.

DEFENSE EFFORTS

1. Adequate precautions have been taken to cope with air raids and "black-outs."
2. The safety and protection of all children has been given careful and painstaking consideration.

3. Air raid drills are being practiced weekly.

4. Plans have been perfected for immediate and rapid evacuation of all children in the event it becomes necessary.

5. The older boys and girls have been organized into auxiliary police, fire, first aid, and conservation committees to assist, guide, and instruct in the school's defense effort.

6. Finger prints of all school children are to be taken in the near future.

7. Hot lunches are being served each day by the Home Economics Department as a health measure.

8. The Mechanic Arts classes are making stretchers, nightsticks, and telephone booths for the local defense council.

9. "Paper, supplies, electricity, and heat must be conserved" is the slogan of all of the children. Great savings have already been effected on these items.

10. Many of the teaching staff have completed the course in First Aid.

11. Instruction in First Aid is now being given to a large class of high school boys and girls.

12. Twelve high school boys are acting as messengers for the local defense council.

13. Inter-scholastic athletics are at present being conducted as scheduled—and with gratifying results. Because of the transportation problem, however, this type of training will undoubtedly have to be given up in the near future and a program of intra-murals substituted in its place.

14. Approval of a course in Vocational Training for Defense Workers has been granted to the school through the Federal Security Agency for out-of-school youth between the ages of 17 and 25. The course is in Metalwork and is being conducted by Mr. Michaud. The course, which is conducted for fifteen hours per week, will last for eight weeks. At the conclusion of the course a new one may be started if there is a demand for it.

IN THE CLASSROOM

1. Our staff fully realizes that youth needs an opportunity to participate in the war effort, and that they have an urgent desire to feel that they are doing something worth while for the cause. To that end everything possible is being done to associate their work and studies with our "all-out" effort.

2. Through the medium of the social studies every teaching effort is bent toward the teaching of pupils of the origin, development, and future prospects of democracy. To teach toward a goal of a greater love for this wonderful country of ours is our motto.

In conclusion may I assure you that the teachers and pupils of Troy stand ready, as never before, to cooperate in every possible way with all of their available means toward securing for their town, state, and nation those tenets of democracy which we Americans hold so dear.

Respectfully submitted,

GERALD H. FAUNCE
Headmaster

REPORT OF SUPERVISOR OF MUSIC

In this report I am able to state that training in singing, reading, theory, rhythm and appreciation has been conducted as usual.

In May, 1941, Troy High School was represented in the New Hampshire High School Music Festival by the participation of Esther Isakson in the All-State Chorus. Many rehearsals with the Jaffrey High School group were held under the supervision of the Music Supervisor. This group also attended the regional rehearsal in Claremont in April. As this report goes to press we are awaiting acceptance, (or non-acceptance) of our applications for this year's Festival.

In April the Grades and Junior High presented an operetta, "Sally in Our Alley," which was very successful.

An assembly program in the form of a concert was presented by the Troy School Band, Festival Chorus members, and Jaffrey Glee Club, followed by a repeated concert in Jaffrey.

Before Christmas, 1941, a concert was given by the Band, Junior and Senior High Glee Clubs. This included candle-light processionals, antiphonies, and tableaux.

For the first time ever the High School is being represented in the New England Festival by Esther Isakson, who has been admitted to the New England Festival Chorus which, this year, is being held in Keene.

Plans are underway to give the pupils the opportunity of attending this concert on Saturday afternoon, March 21. It is hoped that parents will cooperate to this end as it is a concert of great educational and inspirational value with the Symphony Orchestra of 125 players, chorus of 200 voices and band of 175 players.

I wish to express my gratitude to Superintendent, School Board and teachers for their interest and cooperation.

Respectfully submitted,

MILDRED H. WHITCOMB
